Sir,

Subject Continuance of Temporary Establishments during the year 1942-43

With reference to your memo No A3 P R 57/42-43 dated 19th August 1942 regarding the above, I have the honour to state as follows

1) Re Toll gate peons The Government in their order No 2463-64/M1 7-41-26 dated 19th September 1941, have sanctioned the continuance of Five temporary Toll Gate peons for the five existing gates, during the year 1941-42 Practical experience has shown that it is impossible for one peon to be on watch during the whole day and hence the Council have resolved to obtain sanction of Government for appointing 2 peons for each Toll gate Hence a reference was made for the appointment of 10 peons (for the 5 toll gates) for whom necessary provision is made in the current year's budget estimate In this connection it is pointed out that in Deputy Commissioner's Docket No P C 20/42-43 dated 5th September 1942, it has been ordered that the number of gate-men in the several Nakads may be strengthned by additional staff

2 Regarding the Record Keeper The record' keeper' post was sanctioned for a period of six months in Kadur Deputy Commissioner's memo No A3 1288/40-41 dated 4th November 1940 on T K Mahamad Hayath appointed as such in Deputy Commissioner memo No 76/41-42 dated 9th October 1941 reported for duty on th

on the forenoon of 16-10-1941 He worked for a period of 1 month and 23 days and resigned on 9-12-1941 The present Record Keeper M R Nagappa, posted in Deputy Commissioner's memo No 152/41-42 dated 29th January 1942, joined duty on the forenoon of 5-2-1942 and hence the term of six months sanctioned was over by 12-6-1942 But he was kept on as it was contemplated to make a reference for the continuance of this post during the year 42-43 The Municipal Council also have resolved to continue the post and necessary provision is made under the current years' budget estimate

Twenty five bundles have so far been completely sorted yearwar and babwar and Miscellaneous papers and records relating to 1900 to 1941 are sorted yearwar and babwar The remaining work may take the whole of this year for completion

3 Re the octroi watchman A clear case was made out in this office letter No H C 63/38-39 dated 30th May 1939 for the appointment of a permanent official for octroi patrol duty, the strength of which, the Government were pleased to sanction this post in their order No L 314-5/M1 33-39-4 dated 10th July 1939 The term of the octroi watchman was not specified in the Government Order and it was presumed that the said post was permanent and hence it was continued in subsequent years, without any reference being made in this behalf The Assistant Comptroller to the Government of Mysore in the course of his inspection of this office held on 13th and 14th April 1942, observed that as the above Government order is not definite about the period for which the appointment is to continue, sanction of Government ought to have been obtained to add the post permanently to the scale of the Municipality This subject was placed before the Council, in their meeting held on 27-6-1942, when it was resolved that this post along with the other

other temporary appointments may be continued for the year 1942-43 The resolution in this behalf is already sent with this office letter of even No dated 10th July 1942 Necessary provision is also made in the budget for the year 1942-43

In the above circumstances I request that early sanction of Government, to the said resolution of the Council, to continue all temporary establishments and that of the octroi watcher during the year 1942-43 may kindly be caused to be obtained

Re Continuance of the temporary establishments in the Chikmagalur Town Municipality

- - -

With reference to your letter No L 4013/11 7-12-15, dated 6th November 1942, on the above subject, I have the honour to enclose herein, copy of letter No H C A/ 2-43, dated 10th December 1942, received from the President, Municipal Council, Chikmagalur. It is reported that though the toll gates and the Octroi Gates are situated in one and the same place, it is difficult for the Octroi staff to look after the toll-work, the octroi or other heavy. Even the expenditure incurred at present, on account of the toll-gate staff is only ten percent of the realisations. To check leakages or revenue, it is necessary, that the toll-gate staff is strengthened. I therefore, request that sanction may be kindly be accorded to the proposal of the Municipal Council, for continuing the existing staff and also the employment of two more peons.

With reference to your memo No A3 772/42-43 dated 11-11-1942, regarding the above subject, I have the honour to note in the margin the realisation from the tolls and the expenditure incurred thereon every year

Regarding the observation, whether the services of the Octroi establishment may not be utilised for toll or also, in the toll gates and the octroi matters are situated in one and the same place, I beg to state that they are situated in one and the same place but the Octroi work is heavy in this municipality and it is difficult for the octroi staff to look after the toll gate keepers so the chowkidars may be provided with 2 toll gate keepers

I request that sanction of Government may kindly be obtained to appoint 5 more toll gate keepers
